NO COMMISSION MEETING

Lack of a quorum was responsible
for no meeting of the commission
yesterday afternoon. It was presumed
there would be a meeting, as an or-
dinance had been passed declaring the
first and third Wednesday in each
month as the day for regular meet-
ings. It now appears that this or-
dinance was never signed by Mayor
Young and is therefore inoperative.
Mayor Young is expected home within
the next few days.

ASK GOVERNORS TO AID FIGHT ON CANKER WORM

A fatal fungoid malady, known as
the citrus canker, supposed to have
originated in Japan, is rampant in
some of the citrus groves in the
state of California, and though at
the present time it is very virulent,
it has not spread widely, and in
order that the United States gov-
ernment may lend its aid toward
the suppression of the pest, a move-
ment has been launched for the
purpose of getting the governor of
each citrus-growing state to endorse
the means which have been taken to
fight the disease.

An appeal was sent to Governor
Hunt several days ago, signed by
D. C. Gillette, of Tampa, Fla., chair-
man of the citrus canker committee
of that state, asking the state of-
ficials here to take the matter up
with their congressman, in an effort
to have governmental aid extended
to them for the fight.

Yesterday Governor Hunt ad-
dressed a communication to Mr. Gil-
lette, stating that he was heartily in
sympathy with the movement of
eradication, as he felt that the elimi-
nation of the pest would be of in-
estimable value to the citrus growers
of the state of Arizona.

and relations. All men of the Pres-
byterian congregation are invited to

PARDON BOARD WILL MEET—
It was announced yesterday that a
special meeting of the state board of
pardons and paroles will hold a spe-
cial session at the prison at Flor-
ence on Friday, November 12, to con-
sider the cases of the condemned
men who are awaiting execution.
The first of the hangings is sched-
uled to take place on November 16,
and those who are said to be well
informed in the matter think that
the executions are likely to be car-
ried out.

INDIAN MARRIAGE—The advan-
tage of educating the red man was
plainly demonstrated yesterday when a
marriage license was issued in the
superior court to Harry Thomas, a
young farmer of Chin Lee, and Mary
Chidis of Pima. Thomas belongs to the
Navajo tribe while his bride-elect is a
daughter of the Pimas and neither
speaks the tongue of the other. Their

they speak fluently. Thomas was edu-
cated at Ft. Defiance and the Pima girl
